Children should register for the grade level they will be entering in the fall, and they may register only within their correct age group. - Curiosity in or willingness to explore the outdoors.
- Ability to get along well with others.
- A willingness to try new things and meet new people.

### What is covered?

Each scholarship includes full tuition for one week-long camp session. Camp tuition includes a hat, reusable water bottle, and a ride on the Speedwell Conservation Carousel. Scholarship applicants may request before- and after-camp care, however due to limited availability FONZ may not be able to offer it as part of the scholarship package.

### Applicants should be aware of the following information:

- Summer Safari Day Camp takes place at the National Zoo in Washington, DC. While campers will have the opportunity to explore and enjoy our exhibits and animals, there is never any direct contact with the animals.
- Campers will split their time between the classroom and walks through the Zoo. They will walk about two (2) miles each day in the heat and possibly rain. Campers should have appropriate walking shoes (no flip flops) and rain gear, if needed.
- Summer Safari Day Camp maintains a non-competitive, violence-free environment. Disruptive, violent, defiant, or abusive behavior will not be tolerated.
